Notice Regarding Revision of Year-end Dividend Forecast (No Dividends)

SCSK Corporation (hereinafter referred to as the “Company”) hereby announces that at the meeting of its Board of Directors held today, it decided to revise the dividend forecast for the fiscal year ending March 31, 2026 and not to distribute the year-end dividend for the fiscal year ending March 31, 2026, considering that a tender offer (hereinafter referred to as the “Tender Offer”) by SC Investments Management Inc. (hereinafter referred to as the “Tender Offeror”), in which the Company’s controlling shareholder (parent company) Sumitomo Corporation (hereinafter referred to as “Sumitomo”) holds 100% of the shares, for the Company’s common shares (hereinafter referred to as the “Company’s Shares”) and the Stock Acquisition Rights (hereinafter referred to as the “Stock Acquisition Rights”) is planned to be conducted, as stated in “Notice Concerning the [Expression of an Opinion in Favor of and Recommendation to Tender] for the Tender Offer for the Company’s Shares, etc. by SC Investments Management Inc., a Subsidiary of Sumitomo Corporation, the Company’s Parent Company” separately released today (hereinafter referred to as the “Company’s Press Release Expressing Opinion”).

Actual results for the previous fiscal year (Fiscal year ended March 31, 2025)	34.00 yen	37.00 yen	71.00 yen

2. Reason for Revision

At the meeting of its Board of Directors held today, the Company resolved to, in connection with the Tender Offer, express an opinion in favor of the Tender Offer, recommend that the Company’s shareholders tender their shares in the Tender Offer, and leave the decision of whether or not to tender in the Tender Offer to the discretion of the holders of the Stock Acquisition Rights (hereinafter referred to as the “Stock Acquisition Rights Holders”).

The aforementioned resolution of the Board of Directors was made on the premise that Sumitomo intends to make the Company a wholly owned subsidiary through the Tender Offer and a subsequent series of procedures aimed at delisting the Company’s Shares, and that the Company’s Shares are

scheduled to be delisted. For details, please refer to the Company's Press Release Expressing Opinion separately released today.

With regard to the return of profits to shareholders, the Company has provided dividends in line with improvements in its consolidated business results, while comprehensively taking into account its financial position, earnings trends, the dividend payout ratio, and the need to maintain sufficient internal reserves for future business investments.

However, since the purchase price, etc. per share of the Company's Shares in the Tender Offer was decided based on a comprehensive judgment on the premise that the Company would not distribute dividends of surplus with the record date of March 31, 2026 (year end), the Company resolved not to distribute dividends of surplus with the record date of March 31, 2026 (year end).
